February is a time when we are focusing on the heart. During this month we want to help reduce the rate of coronary disease in children. Our children will be learning about kids with special hearts, and how to keep our own hearts healthy. They will also be participating in a **Jump Rope for the Heart** on **Friday, February 17th at 10 am**. Monetary donations will be collected during the month of February. We have set a goal of \$120 that we are working towards reaching by February 29. **It is your job to help us reach that goal!** You are invited to join us on this day as we **Jump Rope for the Heart** in celebration of the money we have collected to fight heart disease in the children who are so special to us.

American Heart
Association 
Learn and Live.

February is Wish Upon A Star's Parent Involvement Month

During this month we are asking as many parents as possible to volunteer! We have many areas where you can share your skills! Some areas where we would like your help include: in the kitchen, reading or art projects in classrooms, music and movement activities, etc. Please let us know if you are willing to share your time and talents with us!

Grand Opening!!

The GRAND OPENING of our new Wish Upon A Star facility will be.... February 21st 2012!!

We are SO excited to share this opportunity with our entire WUAS family and can't wait for everyone to see the new facility. Please help us get ready by ensuring your family has completed new enrollment packets for all your children, and if you are an ELC parent you have signed the consent letter. **THANK YOU FOR ALL THE SUPPORT DURING THIS TIME!**
