Congratulations!

The scores are in... and WUAS is proud to announce our VPK class of 2010-2011 is one of the highest rated in Brevard County with a Kindergarten Readiness Rate of 82!!

This score is out of a perfect 100 and with the high number of children served at our facility we couldn't be happier with the achievement of our graduates. Congratulations to our VPK Teachers we just know the triumph will continue. Keep up the fantastic work!

Parent Involvement Opportunity: Community Helpers

The theme throughout our school for the month of January is Community Helpers. We are asking for YOUR assistance to help teach our children about the helpers in our community. We will be having a career day at WUAS on Wednesday January 25th. Parents, family and friends are encouraged to come in and talk about your career with your child's class. Please see your child's teacher for a sign up list of available times. All careers are welcome! Thank you for your participation we look forward to seeing you all here!

Family Reminders

The Greatest Compliment Anyone Can Give Is The Referral Of Family or a Friend!

We Appreciate Your Loyalty and Patronage!
Families that participate in our refer-a-friend program will receive a \$25 credit towards their child's tuition.

"The function of education is to teach one to think intensively and to think critically... Intelligence plus character - that is the goal of true education."

~Martin Luther King, Jr.

The countdown for our move date to the new location has begun! Are you as excited as we are!?
