

## 4th of July Family Fun

### \*Independence Day Shaker\*

Pour beans into a toilet paper tube, seal the ends with plastic paper. Glue strips of paper to one end to look like fire. Add tissue paper, glitter and anything else fun you find to decorate your shaker with!

### \*Fruit Flag\*

Take an 8x8 clear dish and make a flag! Have your kids help add strawberries, blueberries and whip cream for a tasty patriotic treat!

### \*Patriotic Drink\*

Fill a clear glass with ice cubes. Pour cranberry juice into the bottom, a third of the way up. Add a blue Gatorade (pouring into the ice cubes) just enough to almost cover the ice cubes. Finally, pour a thin layer of Diet 7-up on top.

*\*Substitute drinks as desired but be sure the drink with the most sugar is on the bottom, and the least sugar on top\**
